ANNIVERSARIES OBSERVED SUNDAY

Double Celebration Commemorates
Founding of Orange M. E.
Church 100 Years Ago

ALSO BUILDING OF CHURCH

Former Pastors and Many People
Who Once Lived in Orange
Return For The Event

The hundredth anniversary of the founding of the Methodist Episcopal church congregation at Orange and the fiftieth anniversary of the erection of the house of worship now in use was appropriately celebrated at Orange Sunday.

The double observance was in the nature of a home coming and former members of the church, who once lived in the Orange community, returned to renew old acquaintances and to enjoy the day.

At the morning services the principal address was made by Dr. John M. Walker of this city, superintendent of the churches in the Connersville district. At noon a basket dinner was served in the basement of the Orange Christian church, more than two hundred people participating.

The old church was packed with people for the afternoon service and many were compelled to stand on the outside. The Rev. Clyde S. Black, pastor of St. Paul's M. E. church of this city, made the main address. He served his first pastorate in the Indiana conference at the Orange church.

Short addresses were also made by the Rev. J. L. Brown of Clarksburg and the Rev. Jesse Gettinger of Freedom, Ind., visiting pastors. The Rev. Mr. Gettinger was formerly superintendent of the Sunday school at Orange and since leaving there has entered the ministry.

Many visitors who once resided in Orange and were converted and began the Christian life in this church, made short reminiscence talks during the afternoon service.

James Lindale of Glenwood, who is ninety-one years of age and who is the only surviving member of the building committee which erected the church, spoke reminiscently of the trying times the committee had in erecting the building. He recalled the hardships which the committee encountered in raising \$3,000 which was needed to meet the building expenses. Mrs. Gus Bowen of Orange read a historical sketch which dealt with the founding of the church one hundred years ago and described the growth and development of the congregation.

A special musical program was given at the afternoon service, consisting of a duet by two members of the Falmouth M. E. church choir, a duet by the Rev. Mr. Black and O. P. Wamsley of this city and a duet by Emily Marie Black and Catherine Wamsley of this city.

Twenty-four people who attended the dedication of the church fifty years ago were present for the celebration. The Rev. F. T. Taylor of Glenwood, the pastor, presided and had general charge of the affair.

BOUGHT IT FROM STRANGER

Raymond Camp, who was arraigned Saturday morning in police court, and sent back to jail to refresh his memory as to where he obtained his liquor, was again brought into court late Saturday afternoon, and pleaded guilty to the charge, and was fined \$3 and costs, which were paid.

Camp maintained that he purchased his liquor from a stranger near the C. I. & W. station, and when it was found out by the court that he would not change his mind, he was given his release upon payment of the fine.

GIRL RUN DOWN BY MACHINE

Driver Fails to Stop After Hitting
Olive Newbold, Age 10, Sunday

Olive Louise Newbold, ten-year-old daughter of Mr. and Mrs. A. N. Newbold, living on the New Salem pike in Circleville, was painfully injured late Sunday, when she was struck by an automobile in front of her home. The little girl sustained several bruises and scratches, and a gash was cut in her forehead which required two stitches to close. She had just stepped from a machine in front of her home, and in going across the road was confronted with a machine coming in each direction, and the one from the north, hit her.

The police investigated and were looking for the man who was driving the machine, and who failed to stop after he had struck the girl.

LAKE ERIE TO CHANGE OWNERS ON JUNE FIRST

New York, Chicago And St. Louis
Railway Will Assume Charge
Of Lines From Ft. Wayne Here

TO USE BIG FOUR TRACKS

On June first the Lake Erie and Western railroad whose terminal for a branch line is located in Rushville, will change owners and the New York, Chicago and St. Louis Railway will assume charge of the lines from Ft. Wayne to Rushville, via Newcastle, and also the branch from Newcastle to Connersville.

The new owner, which is the Nickel Plate route, made the deal with the Lake Erie officials at Ft. Wayne last week, and all property involved will be turned over to them on June 1. through Rushville, and in several of the cities the L. E. & W. depots will be abandoned where the Nickel Plate has depots.

It is too early for any definite decision concerning the operation of these branches, but it has been hinted that several changes might be made in the traffic. Better freight and passenger service between some of the places will take place, it is stated.

The Lake Erie branch from Newcastle to Rushville was built in 1881, and has been operated by that company ever since, although the New York Central lines directly owned the road and operated it.

Addison et al., Against
Anna Collins

W. F. MOORE GRANTED DIVORCE

Adrian Riggsbee is Released From
Bond of T. R. Lee, Trustee
of Posey Township

Judge John C. Craig of the Decatur circuit court was on the bench in the local court this afternoon, hearing an issue pertaining to the case of Beulah D. Allison, et al., against Anna Collins, in which the Greensburg jurist was selected as a special judge in the suit to quiet the title of some real estate.

Judge Will M. Sparks has granted William F. Moore a divorce from Elsie Moore, after having had the evidence under consideration since May 6, when the issue was tried.

In the suit filed last week by Adrian Riggsbee against Thomas R. Lee, trustee of Posey township, in which the plaintiff asked to be released from the bond of the trustee, the defendant has appeared and given a new bond in the sum of \$25,000 which was approved by the court. Mr. Riggsbee was released from the other bond.

In the divorce suit pending in which Margaret Dudgeon is plaintiff and Jasper Dudgeon, defendant, the court has allowed the plaintiff \$5 a week allowance during the pendency of the case, and also awarded her \$25 for attorney fees.

In the case of Jacob A. Parrish against James W. Kirkpatrick, a complaint on a court judgment, the evidence was heard and judgment amounting to \$175.67 and costs was awarded the plaintiff.

A suit of James A. Davidson against the Home Insurance Company, an action to collect on an insurance policy, was dismissed today by the plaintiff.

Centennial Notes

The program committee report progress. An effort is being made to have the great grandson of Benjamin Rush and the great grandson of William B. Laughlin present.

More than 150 persons will take part in the historical pageant on the evening of June 15.

The parade on the afternoon of June 15 promises to be the best ever attempted here.

The relic committee has the promise of a log cabin fully furnished. Also a lot of farm tools, cooking utensils, and furniture, but they have been unable to find a "straddle-bug." Can any farmer furnish one? If so notify Mrs. Blanche Abercrombie, Rushville, Indiana.

The restaurants are asked to furnish pioneer feed, including corn pone, dodger, hoe cake, dried apples, black strap molasses, ginger bread, etc., during the centennial.

The Home Coming committee is receiving a number of names and addresses of former residents of the county. Any one knowing the names and addresses of any such should send same at once to the Home Coming Committee, P. O. Box 132, Rushville, Indiana.

BIGGER THAN THE THING IT CREATES

Life Behind a Masterpiece is Subject for Baccalaureate Sermon by Dr. E. L. House

SPEAKS TO H. S. GRADUATES

In Sunday Afternoon Lecture, Dr. House Says Heaven is Above Where Jesus Is

The baccalaureate sermon to the graduation class of the high school was given to a capacity audience at the Main Street Christian church Sunday night by Dr. E. L. House on Life as a Masterpiece. It was a great appeal for high living and strong service for today.

Taking Paul's text, Eph. 4:13, "Till we come to the perfect man, unto the measure of the stature of the fullness of the Christ," he said: "Here is a great book, a great text by a great man, Paul. He is the intellect of the New Testament. His life was a masterpiece. We can also be so today, for we have his book, his Christ, a great opportunity and his ideals before us. We all like to look at masterpieces, such as Angelo's Moses, Raphael's Transfiguration. How we are thrilled by Handel's Messiah, or by reading Hugo's Les Miserables. But a thing is not so big as the life that creates the thing.

"England's great masterpiece is Oliver Cromwell; America's great masterpiece is Abraham Lincoln. Back of us all are the masterpiece materials and tools.

"Look out and see the materials of all kinds that are found in the earth, sea and sky; matching these are the tools of mind, imagination, reason, memory, will, attention, concentration and love. What we need is here. We have the masterpiece guide in the Bible. It has been the fertile field of the best in literature, art, science, philosophy, law, medicine, sociology and religion. Then we have the masterpiece teacher in Christ. In Him are hid all the treasure of wisdom. He can bring forth out of you as no other teacher, for He knows all about the hidden forces of your being. But no one can be a masterpiece on the outside until he has been a masterpiece on the inside. Nothing can be evolved that has not been involved. Men need to take time to be big on the outside. Here is where our young people must put the emphasis, 'Be big on the inside,' and then you will be big on the outside.

"A masterpiece life will select and reject. You cannot take in everything, take in the things that count. Many things are trivial, let them go. More men is wanted today. Do a masterpiece work. Do not do a low grade work, if you do you will fail. It would be a foolish thing to put up a great Hoe printing press just to print visiting cards. It can do better work. All have a masterpiece influence, no matter who they are, and that influence goes on forever. You are adding to the sum total of evil or good in the world. Look out for that contribution of yours, for you will have to face it some day in the presence of God. If you have given yourself to evil, remember there is a masterpiece salvation and that you can come back; you can recover; you can be remade. Make it so in His name."

Sunday afternoon he spoke on the subject: "Where is Heaven?" He said, "That reason says: Man should live again. When you see an incomplete building, it is a sign that it will be completed. Man never completes himself in this world. A man would not build a magnificent ship, laden it with precious jewels and send it to the bottom of the sea. Man is richly laden and has too valuable a cargo to go down forever.

"Science says, man may live again. The seed dies and lives again, why should not man die to live again. Philosophy says man wants to live again. His feelings, institutions, all claim such a heritage. And there are no half hinges in nature. Where there is a fin, there is water to match the fin; where there is a wing there is the air to match the wing. Man feels that he will live again; God must match that feeling with eternal life.

SCHOOL CONCERT WELL RECEIVED

Grade Pupils, Arranged in Gorgeous
Costumes, Entertain Large
Audience Saturday Night

DUTCH SCENE IS EFFECTIVE

Climax Comes in Chorus of Spring
Birds and Flowers in an Old-
Fashioned Garden

The second All School concert given by the music department of the Rushville schools at the Graham Annex auditorium Saturday night, with scores of little folks at their best and arrayed, in many scenes, in gorgeous costumes, proved the most entertaining school event given in Rushville in a long while.

The marvel of the thing is how Miss Sarah I. McConnell, supervisor of music, does it; how she trained so many children for various selections; prepared the glee club and orchestra, and kept the concert moving smoothly, without a hitch, until the final ensemble.

Miss McConnell admitted that without the very hearty and willing co-operation of Miss Henrietta Coleman, supervisor of art, who was responsible for the elaborate costumes, and without the valuable assistance given by all of the grade teachers in the city, the concert would not have been possible.

The curtain was raised on the justly famous "Baby Band," composed of second grade pupils from all of the buildings in the city, which played one number, with Jean Clark conducting and Miss McConnell providing the accompaniment on the piano.

A group of songs by sixth grade pupils representing the Jackson and Graham Annex buildings was a revelation to the audience. The pupils sang difficult numbers with rare skill.

Two negro spirituals by pupils of Washington school were equally as popular as they were when first introduced in the All School concert given last December.

The "Dutch Scene" given by pupils of the first three grades of the Jackson building, who were appropriately costumed, consisted of "Old Chanticleer," the opening chorus which was sung to a rooster perched upon a fence. Three Dutch boys who think they know "The Secret" sing a song and a little Dutch boy offers a tulip in song (The Tulip Garden) to a little Dutch girl who responds in like manner. Little Boy Blue with a horn almost as big as himself sings a song and three little girls dressed like Dutch grandmothers sing a knitting song, all the while knitting industriously. The scene closes with a good night song from two little primary girls bundled up in their "nighties."

The junior orchestra made its first appearance at the concert and was liberally applauded for its remarkable showing. Miss McConnell introduced seven of the members who play second violin, who have had only twenty lessons in class work. She also introduced Faye Boxley, cellist, and John Neutenhelzer, who plays the clarinet, complimenting them for their progress as they have been playing the instruments only since Christmas.

The work of the junior high school glee club in the cantata, "The Swallow," by Carrington, was regarded as exceptionally fine and revealed much careful preparation.

The concert was climaxed with the chorus of spring birds and flowers which was the most elaborate effort of the evening. In a garden in which the brilliant rose, the bright-hued sweet peas, the modest violet, the daffodil, poppy and jack-in-the-pulpit grew abundantly and robin and woodpecker disported themselves, the scarecrow was the only discordant note.

As each chorus came onto the stage, they sang their little song and retired to the rear to make way for the next one. Approximately seventy-five pupils representing all of the grades in all of the buildings of the city took part in this number. The costumes were very realistic and formed a brilliant background for the final selection, "Welcome Spring" which the little folks sang.

A Successful Man

Among the notable professional men of this country who achieved great success along strictly legitimate lines was Dr. R. V. Pierce. Devoting his attention to the specialty of women's diseases, he became a recognized authority in that line.

Over fifty years ago this noted physician gave to the world a Prescription which has never been equaled for the weaknesses of women. Dr. Pierce, of Buffalo, N. Y., long since found out what is naturally best for women's diseases. He learned it all thru treating thousands of cases. The result of his studies was a medicine called Doctor Pierce's Favorite Prescription. This medicine is made of vegetable growths that nature surely intended for backache, headache, weakening pains, and for the many disorders common to women in all ages of life. Women who take this standard remedy know that in Dr. Pierce's Favorite Prescription they are getting a safe woman's tonic so good that druggists everywhere sell it in both tablet and fluid form.

IT HAPPENED IN RUSHVILLE

And Is Happening to Rushville People Every Week

The case told below is not an uncommon thing. The same occurs frequently and will continue to happen as long as folks have kidneys and overtax the kidneys.

Wm. Ash, 511 N. Sexton St., Rushville, says: "I can say a good word for Doan's Kidney Pills for I have used them several times when my back has been lame and sore. My kidneys were weak and felt dull and heavy and the secretions were too free in passage. I used a box of Doan's Kidney Pills which I purchased at Johnson & Company's Drug Store and they completely relieved me of the trouble. Another member of my family has also used Doan's and has found them very satisfactory."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Ash had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.—(Advertisement.)

BIGGER THAN THE THING IT CREATES

Continued from Page One

"Death is to the Christian a door through which he passes into another world. Where is Heaven? It is above where Jesus is. It most likely will be in the great universe overhead; that is big enough for God's palace. Heaven will be joy, rest, happiness reunion, but above all satisfaction. We shall develop more and more mentally and spiritually. I am afraid all are not saved, for the Bible is very plain here that some shall be lost.

"How can men go to heaven, when they care nothing for heavenly things! It would be a hell if they got there. We shall know as we are known and recognize our loved ones as well as the saints of old. To enter heaven we must have Jesus. This is the password to the new city of Jerusalem. Some day the city of gold will burst upon our eyes, and the heavenly music will come to our ears, and life, glorious and full will be ours forever. It is worth striving for."

Tonight comes the lecture "How to Train Your Will."

Pocketbook and Humanity

Pocketbook is in the saddle, with humanity trudging along behind.

This is especially true with regard to the strike between labor and capital.

The men in control of our great industrial and commercial enterprises are fattening at the expense of the stockholders who have invested their wealth. They draw big salaries and pull out fat fees while the stockholders have to be content with modest dividends.

The same is true in the ranks of labor. The head men are rolling in comfort, draw large salaries, live

high, and revel in their despotic power, while the rank and file of the unions toil and sweat and cough up—or take a forced vacation.

The average stockholder in an industrial concern is essentially honest and does not look for any more than is fair and just. He is by no means sure of even that much.

The laboring man who performs the actual toil is in the same class. He would be content with a just wage and steady employment if the czars and the agitators would leave him alone. But they won't.

There is one great trouble with the leaders on both sides. The greed of pocketbook prevails over the cause of humanity. They see nothing except that which is pleasing to their own sight.

Hence the breach, and the bitterness, and the strikes, and the stagnation in business, and the idleness, and the privations and want.

Hence the endless turmoil where peace should reign.

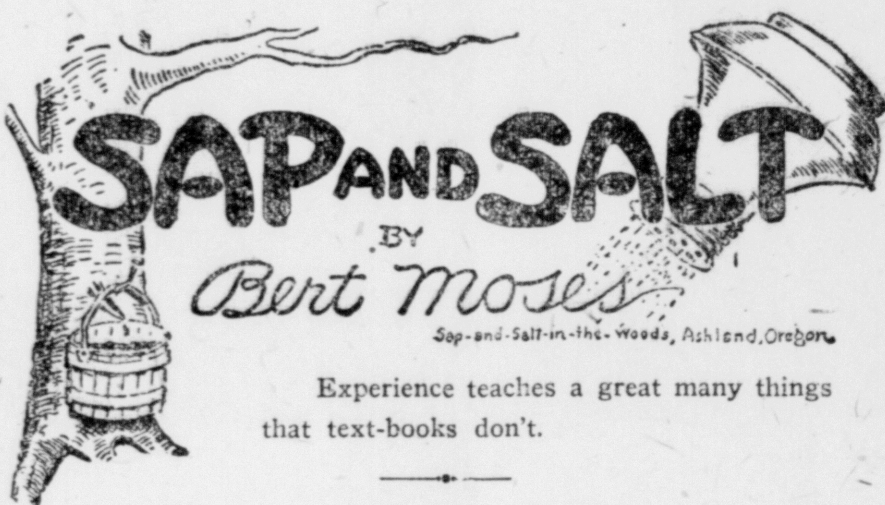

AMUSEMENTS

"Turn to The Right" Coming

When the Rex Ingram production for Metro of "Turn to the Right" is seen at the Princess theatre, Wednesday and Thursday, the character of Ma Bascom will probably touch the heart of the spectator most deeply. But John E. Hazzard, author of the story on which the play was founded, says the character was not conceived in the image of his own mother.

"It was written as an object lesson to her," he says. "She is the best poker player I have ever met, and I hope that this play will reform her."

"You see, I have it in for my mother. All my life I have been writing

plays, although this was the first one that was ever produced. Several years ago I met Blanche Walsh in Chicago and told her the story of one of these plays. She was interested and asked me to send the script, so I sent a wire to my mother, asking her to ship me all the manuscripts in my desk. Four days later I received an express package, containing eight plays, three books of verse, and at least a hundred jokes, and the package was marked, 'Value Five Dollars.' In that package was the original sketch of my part of 'Turn to the Right.' "

TAKES ADVANTAGE OF WEAK PITCHING

Brookville—Collects Thirteen Hits in Game Here Sunday With Tail Lights and Wins, 15 to 2

LOCALS GOOD IN THE FIELD

Two Double Plays Figure in Cutting Down Visiting Team's Base Runners—Errors Help Rushville

The Brookville team took advantage of weak pitching by the Tail Lights here Sunday, and pounded the ball hard, collecting 15 runs, while the Rushville team put across two markers, and was unable to hit Schuck, the hurler for the visitors. The two teams displayed real baseball for the first three innings, but in the fourth frame, the fireworks began, and when the dust cleared away, the visitors counted five tallies, due mostly to the breakdown for Snyder, the locals pitcher. The Tail Lights also staged a rally in the last half of this inning and when Brookville made three errors, they were largely responsible for the two runs.

The local team fielded the ball well in practically every inning, and made two double plays, one in the first inning which cut off a runner at the plate, and the other double was by George at third base, unassisted. George played a great game and got two of the five hits.

The local team is scheduled to play at Brookville next Sunday.

First Inning

Brookville—Schmeier doubled to left on first ball pitched. Erlwein sacrificed, L. Snyder to Shaw; Wetta hit into a double, Barney to Shaw to Byrne, who tagged Schmeier at the plate. No runs, one hit, no errors. Rushville—George singled through second. Coble forced George at second. Schuck to Erlwein; P. Snyder singled near third base. Neideffer forced Coble at third, Schuck to Landerman. Byrne fanned. No runs, two hits, no errors.

Second Inning

Brookville—Jones tied to Pearsey in right; Biltz out to Shaw unassisted; Landerman out on a fly to P. Snyder. No runs, no hits, no errors. Rushville—Barney out, Schuck to Vitt, Pearsey to Shaw fanned. No runs, no hits, no errors.

Third Inning

Brookville—Vitt out, P. Snyder to Shaw; Klop out, to Coble in center. Schuck fanned. No runs, no hits, no errors. Rushville—L. Snyder out to Vitt unassisted. George singled on fly be-

hind second base. Coble forced George at second, Erlwein unassisted. P. Snyder up; Coble caught stealing, Klop to Jones. No runs, one hit, no errors.

Fourth Inning

Brookville—Schmeier walked. Erlwein was hit by pitcher; Wetta beat out an infield hit, filling the bases. Jones doubled to left scoring Erlwein and Schmeier. Biltz up and Wetta scored on a wild pitch. Jones took second on a sacrifice fly. Landerman singled near third scoring Jones. Vitt up, Landerman stole second, batter fanned. Klop singled to left, scoring Landerman, and took second on the throw. Schuck out, L. Snyder to Shaw. Five runs, four hits, one error.

Rushville—P. Snyder flied to right. Neideffer safe when Erlwein let a grounder get by. Byrne safe on Landerman's error at third. Barney doubled to right, scoring Neideffer. Pearsey up. Byrne scored on wild pitch, and Barney reached third; batter struck out. Shaw up, Barney caught at the plate, Schuck to Klop. Two runs, one hit, three errors.

Fifth Inning

Brookville—Schmeier flied to George. Erlwein was walked. Wetta up, Erlwein stole second and made third on a wild throw by Byrne to second. Batter doubled to left fence, scoring Erlwein. Jones fouled out to George. Biltz out, P. Snyder to Shaw. One run, one hit, one error. Rushville—Shaw fanned. L. Snyder flied to right. George out, Schuck to Vitt. No runs, no hits, no errors.

Sixth Inning

Rushville—Coble out, Jones to Vitt. P. Snyder singled over second. Neideffer popped to Jones. Byrne lined to Landerman at third who threw to Jones to put out Snyder at second. No runs, one hit, no errors.

Seventh Inning

Brookville—Schmeier doubled to left. Erlwein sacrificed, L. Snyder to Shaw. Wetta doubled to left fence, scoring Schmeier. Jones doubled to left in same place, scoring Wetta. Biltz up. Neideffer went in to pitch, changing places with L. Snyder. Biltz grounded to P. Snyder who nussed the roller. Landerman up. Biltz stole second. Batter was walked, filling the bases. Vitt safe on fielder's choice, when Barney tried to tag Jones at home, but failed. Klop doubled to left, scoring all three on bases. Schuck singled back of short. Schmeier grounded to P. Snyder who threw to Byrne and tagged Klop at home. Schuck came home when Shaw dropped the ball in an effort to tag Schmeier off the base. Erlwein doubled to left scoring Schmeier. Wetta fanned. PHILLIPS WINS MILE RUN AT STATE MEET

Herman Phillips, the state holder for two years for the mile race in the high school athletic association, again won the title at the state meet at Richmond Saturday afternoon, and will enter the national track and field meet at Chicago on next Saturday, when the local high school has hopes of holding the national honors in the race.

Phillips ran last Saturday in the second section of the race and was not pushed, while Flint of Connersville headed the other section, making better time, but on account of the two sections, each was given first place. Phillips made the mile in 4:43 4/5 while Flint made it in 4:40 4/5.

Conwell Smith of Rushville is still the holder of the state record for pole vaulting at 11 feet, 9 inches, as this mark has never been equalled. Smith is attending DePauw this year and has won the pole vault in every meet and has never had to exert himself. Last Saturday he went 10 feet, 6 inches which was enough to beat his opponent, in a dual match with Indiana university.

DIDN'T HOPE TO PULL THROUGH AFTER THE FLU

But Tanlac Restored Her To Finest Health, Says Mrs. Hatcher. Looking After Her Little Girl And Doing Housework Are Like Play Now.

"I cannot express my gratitude for what Tanlac did for me," declared Mrs. Mahel Hatcher, 324 N. Fourth St. Terre Haute, Ind.

"When I had the flu two years ago I never expected to pull through, and since then I was weak and run down, and had so little appetite I just had to force myself to eat. I had such awful pains in my back and side I thought I should faint, and I couldn't attend to my housework. My husband and I were at our wits' end to know what to do."

"When a friend advised me to take Tanlac it was the best turn she ever did for me. Soon I could hardly get enough to eat, my face filled out and I gained much weight. Doing my work and looking after my little girl are like play now. For me there is no medicine like Tanlac."

Tanlac is sold by all good druggists.—Advertisement.

MYSTIC The Little Show With Big Pictures

TONIGHT AND TUESDAY

As Man to Man

MY DEAR FRIENDS:
"Man to Man" is the best picture I ever made.
That's a flat assertion but I will stand on it. In spite of the wonderful reception of mine, particularly "The Fox," I know you will like this one better. It is bigger, in every way.
When I read Jackson Gregory's great novel I knew I had found the story of my dreams. I saw in it the great atmosphere of the Old West that you all like so well. It is bristling with stirring action, gripping suspense and appealing romance. In short, it is a Western story for all, young and old, men and women.
See it. I know you will like it.
Sincerely,
Harry Carey

ANNIVERSARIES OBSERVED SUNDAY

Double Celebration Commemorates
Founding of Orange M. E.
Church 100 Years Ago

ALSO BUILDING OF CHURCH

Former Pastors and Many People
Who Once Lived in Orange
Return For The Event

The hundredth anniversary of the founding of the Methodist Episcopal church congregation at Orange and the fiftieth anniversary of the erection of the house of worship now in use was appropriately celebrated at Orange Sunday.

The double observance was in the nature of a home coming and former members of the church, who once lived in the Orange community, returned to renew old acquaintances and to enjoy the day.

At the morning services the principal address was made by Dr. John M. Walker of this city, superintendent of the churches in the Connersville district. At noon a basket dinner was served in the basement of the Orange Christian church, more than two hundred people participating.

The old church was packed with people for the afternoon service and many were compelled to stand on the outside. The Rev. Clyde S. Black, pastor of St. Paul's M. E. church of this city, made the main address. He served his first pastorate in the Indiana conference at the Orange church.

Short addresses were also made by the Rev. J. L. Brown of Clarksville and the Rev. Jesse Gettinger of Freedom, Ind., visiting pastors. The Rev. Mr. Gettinger was formerly superintendent of the Sunday school at Orange and since leaving there has entered the ministry.

Many visitors who once resided in Orange and were converted and began the Christian life in this church, made short reminiscent talks during the afternoon service.

James Lindale of Glenwood, who is ninety-one years of age and who is the only surviving member of the building committee which erected the church, spoke reminiscently of the trying times the committee had in erecting the building. He recalled the hardships which the committee encountered in raising \$3,000 which was needed to meet the building expenses. Mrs. Gus Bowen of Orange read a historical sketch which dealt with the founding of the church one hundred years ago and described the growth and development of the congregation.

A special musical program was given at the afternoon service, consisting of a duet by two members of the Palomoth M. E. church choir, a duet by the Rev. Mr. Black and O. P. Wamsley of this city and a duet by Emily Marie Black and Catherine Wamsley of this city.

Twenty-four people who attended the dedication of the church fifty years ago were present for the celebration. The Rev. P. T. Taylor of Glenwood, the pastor, presided and had general charge of the affair.

BOUGHT IT FROM STRANGER

Raymond Camp, who was arraigned Saturday morning in police court, and sent back to jail to refresh his memory as to where he obtained his liquor, was again brought into court late Saturday afternoon, and pleaded guilty to the charge, and was fined \$3 and costs, which were paid.

Camp maintained that he purchased his liquor from a stranger near the C. I. & W. station, and when it was found out by the court that he would not change his mind, he was given his release upon payment of the fine.

GIRL RUN DOWN BY MACHINE

Driver Fails to Stop After Hitting
Olive Newbold, Age 10, Sunday

Olive Louise Newbold, ten-year-old daughter of Mr. and Mrs. A. N. Newbold, living on the New Salem pike in Circleville, was painfully injured late Sunday, when she was struck by an automobile in front of her home. The little girl sustained several bruises and scratches, and a gash was cut in her forehead which required two stitches to close. She had just stepped from a machine in front of her home, and in going across the road was confronted with a machine coming in each direction, and the one from the north, hit her.

The police investigated and were looking for the man who was driving the machine, and who failed to stop after he had struck the girl.

LAKE ERIE TO CHANGE OWNERS ON JUNE FIRST

New York, Chicago And St. Louis
Railway Will Assume Charge
Of Lines From Ft. Wayne Here

TO USE BIG FOUR TRACKS

On June first the Lake Erie and Western railroad whose terminal for a branch line is located in Rushville, will change owners and the New York, Chicago and St. Louis Railway will assume charge of the lines from Ft. Wayne to Rushville, via Newcastle, and also the branch from Newcastle to Connersville.

The new owner, which is the Nickel Plate route, made the deal with the Lake Erie officials at Ft. Wayne last week, and all property involved will be turned over to them on June 1. through Rushville, and in several of the cities the L. E. & W. depots will be abandoned where the Nickel Plate has depots.

It is too early for any definite decision concerning the operation of these branches, but it has been hinted that several changes might be made in the traffic. Better freight and passenger service between some of the places will take place, it is stated.

The Lake Erie branch from Newcastle to Rushville was built in 1881, and has been operated by that company ever since, although the New York Central lines directly owned the road and operated it.

Helgeson, of Argus, Ind., the field secretary. Both these men will speak at the meeting on subjects that are outlined to assist the dealers in conducting their service to the trade.

The meeting is the first ever held in Shelbyville and will be an event of interest among the hardware dealers of this section. J. O. Pearson, a hardware merchant of Shelbyville is in charge of the details of arranging the gathering.

JUDGE CRAIG ON BENCH HERE TODAY

Hears Quiet Title Suit of Beulah D.
Addison et al., Against
Anna Collins

W. F. MOORE GRANTED DIVORCE

Adrian Riggsbee is Released From
Bond of T. R. Lee, Trustee
of Posey Township

Judge John C. Craig of the Decatur circuit court was on the bench in the local court this afternoon, hearing an issue pertaining to the case of Beulah D. Allison, et al., against Anna Collins, in which the Greensburg jurist was selected as a special judge in the suit to quiet the title of some real estate.

Judge Will M. Sparks has granted William F. Moore a divorce from Elsie Moore, after having had the evidence under consideration since May 6, when the issue was tried.

In the suit filed last week by Adrian Riggsbee against Thomas R. Lee, trustee of Posey township, in which the plaintiff asked to be released from the bond of the trustee, the defendant has appeared and given a new bond in the sum of \$25,000 which was approved by the court. Mr. Riggsbee was released from the other bond.

In the divorce suit pending in which Margaret Dudgeon is plaintiff and Jasper Dudgeon, defendant, the court has allowed the plaintiff \$5 a week allowance during the pendency of the case, and also awarded her \$25 for attorney fees.

In the case of Jacob A. Parrish against James W. Kirkpatrick, a complaint on a court judgment, the evidence was heard and judgment amounting to \$175.67 and costs, was awarded the plaintiff.

A suit of James A. Davidson against the Home Insurance Company, an action to collect on an insurance policy, was dismissed today by the plaintiff.

Centennial Notes

The program committee report progress. An effort is being made to have the great grandson of Benjamin Rush and the great grandson of William B. Laughlin present.

More than 150 persons will take part in the historical pageant on the evening of June 15.

The parade on the afternoon of June 15 promises to be the best ever attempted here.

The relic committee has the promise of a log cabin fully furnished. Also a lot of farm tools, cooking utensils, and furniture, but they have been unable to find a "straddle-bug." Can any farmer furnish one? If so notify Mrs. Blanche Abercrombie, Rushville, Indiana.

The restaurants are asked to furnish pioneer feed, including corn pone, dodger, hoe cake, dried apples, black strap molasses, ginger bread, etc., during the centennial.

The Home Coming committee is receiving a number of names and addresses of former residents of the county. Any one knowing the names and addresses of any such should send same at once to the Home Coming Committee, P. O. Box 132, Rushville, Indiana.

BIGGER THAN THE THING IT CREATES

Life Behind a Masterpiece is Subject for Baccalaureate Sermon by Dr. E. L. House

SPEAKS TO H. S. GRADUATES

In Sunday Afternoon Lecture, Dr. House Says, Heaven is Above Where Jesus Is

The baccalaureate sermon to the graduation class of the high school was given to a capacity audience at the Main Street Christian church Sunday night by Dr. E. L. House on Life as a Masterpiece. It was a great appeal for high living and strong service for today.

Taking Paul's text, Eph. 4:13, "Till we come to the perfect man, unto the measure of the stature of the fullness of the Christ," he said: "Here is a great book, a great text by a great man, Paul. He is the intellect of the New Testament. His life was a masterpiece. We can also be so today, for we have his book, his Christ, a great opportunity and his ideals before us. We all like to look at masterpieces, such as Angelo's Moses, Raphael's Transfiguration. How we are thrilled by Handel's Messiah, or by reading Hugo's Les Miserables. But a thing is not so big as the life that creates the thing."

"England's great masterpiece is Oliver Cromwell; America's great masterpiece is Abraham Lincoln. Back of us all are the masterpiece materials and tools."

"Look out and see the materials of all kinds that are found in the earth, sea and sky; matching these are the tools of mind, imagination, reason, memory, will, attention, concentration and love. What we need is here. We have the masterpiece guide in the Bible. It has been the fertile field of the best in literature, art, science, philosophy, law, medicine, sociology and religion. Then we have the masterpiece teaching in Christ. In Him are hid all the treasure of wisdom. He can bring forth out of you as no other teacher, for He knows all about the hidden forces of your being. But no one can be a masterpiece on the outside until he has been a masterpiece on the inside. Nothing can be evolved that has not been involved. Men need to take time to be big on the outside. Here is where our young people must put the emphasis, 'Be big on the inside,' and then you will be big on the outside."

"A masterpiece life will select and reject. You cannot take in everything, take in the things that count. Many things are trivial, let them go. More men is wanted today. Do a masterpiece work. Do not do a low grade work, if you do you will fail. It would be a foolish thing to put up a great Hoe printing press just to print visiting cards. It can do better work. All have a masterpiece influence, no matter who they are, and that influence goes on forever. You are adding to the sum total of evil or good in the world. Look out for that contribution of yours, for you will have to face it some day in the presence of God. If you have given yourself to evil, remember there is a masterpiece salvation and that you can come back; you can recover; you can be remade. Make it so in His name."

Sunday afternoon he spoke on the subject: "Where is Heaven?" He said, "That reason says: Man should live again. When you see an incomplete building, it is a sign that it will be completed. Man never completes himself in this world. A man would not build a magnificent ship, laden it with precious jewels and send it to the bottom of the sea. Man is richly laden and has too valuable a cargo to go down forever."

"Science says, man may live again. The seed dies and lives again, why should not man die to live again. Philosophy says man wants to live again. His feelings, institutions, all claim such a heritage. And there are no half hinges in nature. Where there is a fin, there is water to match the fin; where there is a wing there is the air to match the wing. Man feels that he will live again; God must match that feeling with eternal life."

SCHOOL CONCERT WELL RECEIVED

Grade Pupils, Arrayed in Gorgeous
Costumes, Entertain Large
Audience Saturday Night

DUTCH SCENE IS EFFECTIVE

Climax Comes in Chorus of Spring
Birds and Flowers in an Old-
Fashioned Garden

The second All School concert given by the music department of the Rushville schools at the Graham Annex auditorium Saturday night, with scores of little folks at their best and arrayed, in many scenes, in gorgeous costumes, proved the most entertaining school event given in Rushville in a long while.

The marvel of the thing is how Miss Sarah I. McConnell, supervisor of music, does it; how she trained so many children for various selections; prepared the glee club and orchestra, and kept the concert moving smoothly, without a hitch, until the final ensemble.

Miss McConnell admitted that without the very hearty and willing co-operation of Miss Henrietta Coleman, supervisor of art, who was responsible for the elaborate costumes, and without the valuable assistance given by all of the grade teachers in the city, the concert would not have been possible.

The curtain was raised on the justly famous "Baby Band," composed of second grade pupils from all of the buildings in the city, which played one number, with Jean Clark conducting and Miss McConnell providing the accompaniment on the piano.

A group of songs by sixth grade pupils representing the Jackson and Graham Annex buildings was a revelation to the audience. The pupils sang difficult numbers with rare skill.

Two negro spirituals by pupils of Washington school were equally as popular as they were when first introduced in the All School concert given last December.

The "Dutch Scene" given by pupils of the first three grades of the Jackson building, who were appropriately costumed, consisted of "Old Chanticleer," the opening chorus which was sung to a rooster perched upon a fence. Three Dutch boys who think they know "The Secret" sing a song and a little Dutch boy offers a tulip in song (The Tulip Garden) to a little Dutch girl who responds in like manner. Little Boy Blue with a horn almost as big as himself sings a song and three little girls dressed like Dutch grandmothers sing a knitting song, all the while knitting industriously. The scene closes with a good night song from two little primary girls buuddled up in their "nighties."

The junior orchestra made its first appearance at the concert and was liberally applauded for its remarkable showing. Miss McConnell introduced seven of the members who play second violin, who have had only twenty lessons in class work. She also introduced Faye Boxley, cellist, and John Neutzelhelzer, who plays the clarinet, complimenting them for their progress as they have been playing the instruments only since Christmas.

The work of the junior high school glee club in the cantata, "The Swallow," by Carrington, was regarded as exceptionally fine and revealed much careful preparation.

The concert was climaxed with the chorus of spring birds and flowers which was the most elaborate effort of the evening. In a garden in which the brilliant rose, the bright-hued sweet peas, the modest violet, the daffodil, poppy and jack-in-the-pulpit grew abundantly and robin and woodpecker disported themselves, the scarecrow was the only discordant note.

As each chorus came onto the stage, they sang their little song and retired to the rear to make way for the next one. Approximately seventy-five pupils representing all of the grades in all of the buildings of the city took part in this number. The costumes were very realistic and formed a brilliant background for the final selection, "Welcome Spring" which the little folks sang.

A Successful Man

Among the notable professional men of this country who achieved great success along strictly legitimate lines was Dr. R. V. Pierce. Devoting his attention to the specialty of women's diseases, he became a recognized authority in that line.

Over fifty years ago this noted physician gave to the world a Prescription which has never been equaled for the weaknesses of women. Dr. Pierce, of Buffalo, N. Y., long since found out what is naturally best for women's diseases. He learned it all thru treating thousands of cases. The result of his studies was a medicine called Doctor Pierce's Favorite Prescription. This medicine is made of vegetable growths that nature surely intended for backache, headache, weakening pains, and for the many disorders common to women in all ages of life. Women who take this standard remedy know that in Dr. Pierce's Favorite Prescription they are getting a safe woman's tonic so good that druggists everywhere sell it in both tablet and fluid form. Send 10c to Dr. Pierce's Invalids Hotel in Buffalo, N. Y., for trial pkg. Write for free medical advice.

IT HAPPENED IN RUSHVILLE

And Is Happening to Rushville People Every Week

The case told below is not an uncommon thing. The same occurs frequently and will continue to happen as long as folks have kidneys and overtax the kidneys.

Wm. Ash, 511 N. Sexton St., Rushville, says: "I can say a good word for Doan's Kidney Pills for I have used them several times when my back has been lame and sore. My kidneys were weak and felt dull and heavy and the secretions were too free in passage. I used a box of Doan's Kidney Pills which I purchased at Johnson & Company's Drug Store and they completely relieved me of the trouble. Another member of my family has also used Doan's and has found them very satisfactory."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Ash had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.—(Advertisement.)

BIGGER THAN THE THING IT CREATES

Continued from Page One

"Death is to the Christian a door through which he passes into another world. Where is Heaven? It is above where Jesus is. It most likely will be in the great universe overhead; that is big enough for God's palace. Heaven will be joy, rest, happiness reunion, but above all satisfaction. We shall develop more and more mentally and spiritually. I am afraid all are not saved, for the Bible is very plain here that some shall be lost.

"How can men go to heaven, when they care nothing for heavenly things? It would be a hell if they got there. We shall know as we are known and recognize our loved ones as well as the saints of old. To enter heaven we must have Jesus. This is the password to the new city of Jerusalem. Some day the city of gold will burst upon our eyes, and the heavenly music will come to our ears, and life, glorious and full will be ours forever. It is worth striving for."

Tonight comes the lecture "How to Train Your Will."

Peckbook and Humanity

Pockbook is in the saddle, with humanity trudging along behind. This is especially true with regard to the strike between labor and capital.

The men in control of our great industrial and commercial enterprises are fattening at the expense of the stockholders who have invested their wealth. They draw big salaries and pull out fat fees while the stockholders have to be content with modest dividends.

The same is true in the ranks of labor. The head men are rolling in comfort, draw large salaries, live

high, and revel in their despotic power, while the rank and file of the unions toil and sweat and cough up or take a forced vacation.

The average stockholder in an industrial concern is essentially honest and does not look for any more than is fair and just. He is by no means sure of even that much.

The laboring man who performs the actual toil is in the same class. He would be content with a just wage and steady employment if the czars and the agitators would leave him alone. But they won't.

There is one great trouble with the leaders on both sides. The greed of pocketbook prevails over the cause of humanity. They see nothing except that which is pleasing to their own sight.

Hence the breach, and the bitterness, and the strikes, and the stagnation in business, and the idleness, and the privations and want.

Hence the endless turmoil where peace should reign.

AMUSEMENTS

"Turn to the Right" Coming

When the Rex Ingram production for Metro of "Turn to the Right" is seen at the Princess theatre, Wednesday and Thursday, the character of Ma Bascom will probably touch the heart of the spectator most deeply. But John E. Hazzard, author of the story on which the play was founded, says the character was not conceived in the image of his own mother.

"It was written as an object lesson to her," he says. "She is the best poker player I have ever met, and I hope that this play will reform her."

"You see, I have it in for my mother. All my life I have been writing

plays, although this was the first one that was ever produced. Several years ago I met Blanche Walsh in Chicago and told her the story of one of these plays. She was interested and asked me to send the script, so I sent a wire to my mother, asking her to ship me all the manuscripts in my desk. Four days later I received an express package, containing eight plays, three books of verse, and at least a hundred jokes, and the package was marked, 'Value Five Dollars.' In that package was the original sketch of my part of 'Turn to the Right.'"

At Mystic Two Days.

A real thrill in the form of a stampede of five thousand head of cattle on a great ranch near Universal City, California, is promised in the universal-Jewel attraction, "Man To Man," coming to the Mystic today and Tuesday.

"Man To Man" is based on Jackson Gregory's novel of that name and which has been read by thousands. It is a virile story of a man who went down till he couldn't find another hellward step, and then climbed back with a little girl's hand in his and a woman's smile waiting to greet him.

Lillian Rich, who has the principal feminine role, used to be a musical comedy star and has appeared with Harry Lauder in long London engagements.

TAKES ADVANTAGE OF WEAK PITCHING

Brookville—Collects Thirteen Hits in Game Here Sunday With Tail Lights and Wins, 15 to 2

LOCALS GOOD IN THE FIELD

Two Double Plays Figure in Cutting Down Visiting Team's Base Runners—Errors Help Rushville

The Brookville team took advantage of weak pitching by the Tail Lights here Sunday, and pounded the ball hard, collecting 15 runs, while the Rushville team put across two markers, and was unable to hit Schuck, the hurler for the visitors. The two teams displayed real baseball for the first three innings, but in the fourth frame, the fireworks began, and when the dust cleared away, the visitors counted five tallies, due mostly to the breakdown for Snyder, the locals pitcher. The Tail Lights also staged a rally in the last half of this inning and when Brookville made three errors, they were largely responsible for the two runs.

The local team fielded the ball well in practically every inning, and made two double plays, one in the first inning which cut off a runner at the plate, and the other double was by George at third base, unassisted. George played a great game and got two of the five hits.

The local team is scheduled to play at Brookville next Sunday.

First Inning

Brookville—Schmeier doubled to left on first ball pitched. Erlwein sacrificed, L. Snyder to Shaw; Wetta hit into a double, Barney to Shaw to Byrne, who tagged Schmeier at the plate. No runs, one hit, no errors.

Rushville—George singled through second. Coble forced George at second. Schuck to Erlwein; P. Snyder singled near third base. Neideffer forced Coble at third, Schuck to Lauderman. Byrne fanned. No runs, two hits, no errors.

Second Inning

Brookville—Jones flied to Pearcey in right; Biltz out to Shaw unassisted; Lauderman out on a fly to P. Snyder. No runs, no hits, no errors.

Rushville—Barney out, Schuck to Vitt. Pearcey to Shaw fanned. No runs, no hits, no errors.

Third Inning

Brookville—Vitt out, P. Snyder to Shaw; Klop out, to Coble in center. Schuck fanned. No runs, no hits, no errors.

Rushville—L. Snyder out to Vitt unassisted. George singled on fly be-

hind second base. Coble forced George at second, Erlwein unassisted. P. Snyder up; Coble caught stealing, Klop to Jones. No runs, one hit, no errors.

Fourth Inning

Brookville—Schmeier walked. Erlwein was hit by pitcher; Wetta beat out an infield hit, filling the bases. Jones doubled to left scoring Erlwein and Schmeier. Biltz up and Wetta scored on a wild pitch. Jones took second on a sacrifice fly. Lauderman singled near third scoring Jones. Vitt up, Lauderman stole second, batter fanned. Klop singled to left, scoring Lauderman, and took second on the throw. Schuck out, L. Snyder to Shaw. Five runs, four hits, one error.

Rushville—P. Snyder flied to right. Neideffer safe when Erlwein let a grounder get by. Byrne safe on Lauderman's error at third. Barney doubled to right, scoring Neideffer. Pearcey up. Byrne scored on wild pitch, and Barney reached third; batter struck out. Shaw up, Barney caught at the plate, Schuck to Klop. Two runs, one hit, three errors.

Fifth Inning

Brookville—Schmeier flied to George. Erlwein was walked. Wetta up, Erlwein stole second and made third on a wild throw by Byrne to second. Batter doubled to left fence, scoring Erlwein. Jones fouled out to George. Biltz out, P. Snyder to Shaw. One run, one hit, one error.

Rushville—Shaw fanned. L. Snyder flied to right. George out, Schuck to Vitt. No runs, no hits, no errors.

Seventh Inning

Brookville—Schmeier doubled to left. Erlwein sacrificed, L. Snyder to Shaw. Wetta doubled to left fence, scoring Schmeier. Jones doubled to left in same place, scoring Wetta. Biltz up. Neideffer went in to pitch, changing places with L. Snyder. Biltz grounded to P. Snyder who muffed the roller. Lauderman up. Biltz stole second. Batter was walked, filling the bases. Vitt safe on fielder's choice, when Barney tried to tag Jones at home, but failed. Klop doubled to left, scoring all three on bases. Schuck singled back of short. Schmeier grounded to P. Snyder who threw to Byrne and tagged Klop at home. Schuck came home when Shaw dropped the ball in an effort to tag Schmeier off the base. Erlwein doubled to left scoring Schmeier. Wetta fanned. PHILLIPS WINS MILE RUN AT STATE MEET

Herman Phillips, the state holder for two years for the mile race in the high school athletic association, again won the title at the state meet at Richmond Saturday afternoon, and will enter the national track and field meet at Chicago on next Saturday, when the local high school has hopes of holding the national honors in the race.

Phillips ran last Saturday in the second section of the race and was not pushed, while Flint of Connersville headed the other section, making better time, but on account of the two sections, each was given first place. Phillips made the mile in 4:43 4/5 while Flint made it in 4:40 4/5.

Conwell Smith of Rushville is still the holder of the state record for pole vaulting at 11 feet, 9 inches, as this mark has never been equalled. Smith is attending DePauw this year and has won the pole vault in every meet and has never had to exert himself. Last Saturday he went 10 feet, 6 inches which was enough to beat his opponent, in a dual match with Indiana university.

DIDN'T HOPE TO PULL THROUGH AFTER THE FLU

But Tanlac Restored Her To Finest Health, Says Mrs. Hatcher. Looking After Her Little Girl And Doing Housework Are Like Play Now.

"I cannot express my gratitude for what Tanlac did for me," declared Mrs. Mabel Hatcher, 324 N. Fourth St. Terre Haute, Ind.

"When I had the flu two years ago I never expected to pull through, and since then I was weak and run down, and had so little appetite I just had to force myself to eat. I had such awful pains in my back and side I thought I should faint, and I couldn't attend to my housework. My husband and I were at our wits' end to know what to do."

"When a friend advised me to take Tanlac it was the best turn she ever did for me. Soon I could hardly get enough to eat, my face filled out and I gained much weight. Doing my work and looking after my little girl are like play now. For me there is no medicine like Tanlac."

Tanlac is sold by all good druggists.—Advertisement.

FALSE ALARM TURNED IN

A false alarm was turned in Saturday night about 10:40 o'clock from box 27, near Maple and Eleventh streets, when someone evidently wanted to see the department make a run. All three divisions, headed by the motor pumper, made a record run up Main street to Eleventh and east to Cherry Grove, but no one was found at the box. The box is in the vicinity of the Rushville Furniture factory and all divisions respond to this box.
